On any occasion where the Vendor fails to perform or defaults on the contract, or any material provision thereof, the District may procure the necessary supplies/services from other sources and hold the Vendor financially responsible for any excess costs incurred. The difference between the contracted price of the products and the actual price paid in this circumstance may be deducted from funds owed to the non-performing Vendor.

1. **Contact Information:** The Vendor shall appoint a person or persons to act as a primary contact with the District. This person or their designated back up shall be readily available during normal business hours by phone or in person; knowledgeable of the terms, conditions and procedures involved; and respond to messages within 24 hours. This certification will be provided to The District in advance of the Vendor providing any services on campus while students are present. The Vendor will bear the cost of acquiring the background screening and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to Vendor and its employees. Vendor will provide The District a list of its employees who have completed background screening as required by the referenced statutes and meet the statutory requirements.
