### OUR FOOD AND NUTRITION PROGRAMS

#### The Clubhouse (Elementary School)

The Clubhouse makes nutrition fun for elementary students. Featuring healthy food choices and fun events where every student feels part of the club! Students will experience a variety of menu options complete with monthly nourish specials, learn about the importance of nutrition and wellness through monthly educate materials, and feel part of the club as they participate in the monthly entertain activities.

#### foodiE Cafe (Middle School)

foodiE is Sodexo's new middle school dining program. Today's middle schoolers understand food more so than ever before. Trending flavor profiles, convenient meals, sustainable alternatives and healthy options – *served fast* – are just a few expectations that top the list. foodiE creates a space where students can **enjoy, engage, and explore**. foodiE is not just about food. It's food that that....tastes good. feels good. does good.

#### Taste4 (High School)

Taste4 was created for high schools' students by high school students. This concept revamps the classics - salads and wraps, deli sandwiches, pasta, grilled favorites, and pizza, elevating school lunch for today's sophisticated palettes. The menu features world flavors, spicy comfort foods and unique, fun food combinations.

#### Meal Prices

All students who attend Holmes County Schools enjoy nutritional meals at no cost due to the Community Eligibility Provision: Please see the Community Eligibility Provision Fact Sheet on our website.

#### Don't forget BREAKFAST

Mornings are rushed and we know your student doesn't always have time to eat breakfast at home. We've got it covered with hot, fresh and delicious breakfast options that will jumpstart your student's day. Does your student need a grab-and-go option? We have bagels, yogurt parfaits, cereal bars and fruit.

Remember: if your student receives free lunch, breakfast is free, too!

#### Lunch Program

When your student has good nutrition, they will perform better in school, and feel happier and be healthier. The school lunch program includes a range of offerings to ensure that your student has access to the nutritious meals they need to lead healthy and productive lives.

#### Lunch Offerings

- A variety of healthy options including wholesome grains, local fresh fruits and vegetables, and lean meats
- A variety of low-fat and fat-free milk with every meal, including white and chocolate milk
- An option of 100% fruit juice at each meal, including apple and orange juice

#### Special Dietary Needs

We take our student's special dietary needs very seriously. Please contact the food services office to discuss your student's special needs.
